How to use this document: delete this paragraph before saving, sharing, or circulating it. Every part shown in blue is yours to replace: type your own details over each blue [field] until no blue remains. Then select all (Ctrl+A) and set the font colour to the same dark colour throughout. What is left is your finished document.

Email Campaign Checklist

Work through this checklist for [Email campaign name] in order, and do not send until every item is checked or deliberately marked as not applicable with a reason. The checklist covers the audience and list, content and design, deliverability, testing, send settings, and the review after sending. Record the owner and the date completed for each item so any gap can be traced afterwards.

Campaign details Campaign name: [Email campaign name] **Campaign purpose:** [Purpose of this email campaign]

Audience or list: [Audience or list this email campaign will be sent to]

Planned send date and time: [Planned send date and time for this email campaign]

Campaign owner: [Full name and job title of the campaign owner]

A. Audience and list: [ ] Permission confirmed: every recipient has given permission to receive this type of email, and the list was not purchased or rented.

[ ] Suppression lists applied: unsubscribed addresses, hard bounces, and complaints from previous sends are excluded.

[ ] Segments checked: the segment matches the campaign purpose, and a count of recipients has been reviewed for plausibility.

[ ] Duplicates removed: the list contains no duplicate addresses that would send the same person the email twice. **Owner:** _____ **Date completed:** _____

[ ] Exclusions applied: internal test addresses, staff addresses not on the list, and any excluded groups are removed.

B. Content and design: [ ] Subject line checked: clear, honest about the contents, within the planned length, and free of misleading claims.

[ ] Preview text checked: supports the subject line and does not repeat it word for word.

[ ] Sender name checked: recognisable to recipients and consistent with previous sends. **Owner:** _____ **Date completed:** _____

[ ] Body copy proofread: spelling, dates, prices, names, and the offer all match the landing page.

[ ] Personalisation tested: every merged field has a fallback value so no recipient sees a blank or a field name.

[ ] Call to action checked: one primary action is obvious, and its wording matches the landing page.

[ ] Images checked: every image has descriptive alternative text and the message still makes sense with images switched off.

[ ] Footer checked: unsubscribe link, preference centre link, and sender postal address are present and working.

C. Deliverability and authentication: [ ] Sender authentication verified: sender policy, signing key, and domain policy records are published and aligned for the sending domain.

[ ] Sending domain reputation reviewed: recent complaint and bounce indicators for the sending domain have been checked.

[ ] Spam score checked: the message has been tested against spam filters and any flagged issue has been fixed. **Owner:** _____ **Date completed:** _____

[ ] List hygiene confirmed: inactive addresses have been handled under the agreed rule rather than mailed regardless.

[ ] Sending volume planned: the send size and rate fit the warming state of the sending domain or address pool.

D. Testing before sending: [ ] Test send completed to addresses across several mailbox providers and device types.

[ ] Rendering checked in the major mailbox applications on desktop and on mobile.

[ ] Mobile layout reviewed on a real mobile device, not only by resizing a desktop window.

[ ] Dark mode rendering checked, and text remains readable where dark mode inverts colours.

[ ] Every link clicked in the test send and confirmed to reach the intended page with correct tracking parameters.

[ ] Landing page reviewed for consistency with the email offer, price, and dates.

[ ] Reply-to address checked: it is monitored, and replies will be answered. **Owner:** _____ **Date completed:** _____

E. Send settings and schedule: [ ] Send date, time, and time zone confirmed against the audience location and the campaign plan.

[Company name]

[ ] Send to the correct segment confirmed in the sending tool, not only in the plan. **Owner:** _____ **Date completed:** _____

[ ] Scheduled automation and triggers checked so no other message fires by mistake at the same time.

[ ] Send approval recorded: the named approver has signed off the final test version.

[ ] Fallback plan agreed: what happens if the send fails part-way or a serious error is spotted after sending.

F. After sending: [ ] Delivery, bounces, and complaints reviewed within one working day of the send.

[ ] Opens, clicks, and conversions recorded against the targets set for this campaign.

[ ] Unsubscribes processed and suppression lists updated from this send. **Owner:** _____ **Date completed:** _____

[ ] Errors logged: any broken link, wrong detail, or complaint is recorded with its cause.

[ ] Follow-up action decided: the next step for engaged recipients and for non-responders is recorded.
