Ashford Business Services Ltd

Subject: Application for the Office Manager **role at** Ashford Business Services Ltd

9 November 2026

Dear Sarah Mitchell,

I am applying for the Office Manager role because it brings together the office administration and customer service work I enjoy most. Ashford Business Services Ltd has a strong reputation for looking after its staff, and I would be proud to be part of the team.

In my current role as Office Administrator I look after invoicing, filing and the front desk, and I recently cut invoice processing time by 20% by tidying the filing system. I am organised, calm under pressure and quick to learn new systems, which I believe fits this role well.

Thank you for taking the time to read my application. I would welcome the chance to discuss the role at an interview, and I can be reached on 01632 960 123 or at amelia.hart@example.com.

Yours sincerely,

Amelia Hart
